

Application for the Göran Bauer's grant of €10.000 is open for members of the NOF

All members of the national societies (as member of the Nordic Orthopaedic Federation|NOF) are kindly invited to apply for the Göran Bauer's grant of €10.000. The purpose of the grant is to support study visits of NOF members to orthopaedic institutions as a part of a scientific project, and/or to support scientific meetings of NOF members related to a scientific project. The scientific project should result in a publication in Acta Orthopaedica.

The application should be e-mailed to: info@norf.org.

Deadline of the application is April 1st, 2016.

The application, in English, must include the following headings:

- Introduction, general aim of the scientific project (Max 1 A4);
- A description of the visit and/or meeting and the relevance for the project (max 1 A4);
- The research plan or work plan of the scientific project (max 2 A4);
- The total project budget, and a specified budget for the study tour or scientific meeting (max 1 A4);
- Short CV of the applicant (including publications).

The grant application must be sent electronically, attached as a PDFfile, and it must not exceed 6 A4 pages, preferably less. Applications longer than 6 pages will be truncated. Please name the file your name. The successful candidate(s) will be announced at the coming NOF Congress.

For more information see NOF website: <http://www.norf.org/>
